2021 COLLECTION

Intelligent Design
Exceptional Experiences

Craster's mission is to create beautiful, intelligently-designed products that surprise and delight, enabling hotels, restaurants and event spaces to deliver exceptional customer experiences in the current dynamic hospitality environment.

"Our London-based design team have carefully crafted the products in this catalogue to respond to the needs of the contemporary hospitality industry in a new decade, with new and unprecedented headwinds.

As ever, we have listened closely to our clients and partners, working with them to develop ranges that resolve challenges, while ensuring that we are always true to the materials used.

On behalf of all of us at Craster, I am delighted to introduce you to our 2021 Collection and our new, responsive solutions."

Flow

Flow is a versatile, modular display system crafted around a gastronorm footprint, offering solutions for ambient, hot and cold cuisine presentation.

Flow consists of stackable trays, trolleys, stands, protective lids and liners and heating/cooling units available in white-washed, black lacquered and natural oak or natural walnut. Plinth tops are available in minimalist clear or smoked grey glass and luxurious white or grey marble. Frames come in stainless or black powdercoated steel.

The Flow Range's interchangeable and stackable components offer versatility to tailor your display and allow for efficient replenishment between front and back-of-house, with new innovations regularly being added. Each stackable tray is ideal as part of a large cuisine presentation or can be selected for hygienic, discrete single-serve, offering unprecedented sustainability across dining options.

Watch the Video

How to create your buffet with Flow

The Flow Range is crafted around a gastronorm footprint, enabling you to create a custom display.

To build a display, simply select a gastronorm size, a frame (flat or angled) and a top (deep or shallow trays or flat plinths).

Heating and cooling units, label holders, sliding lids and lid liners allow for ambient, hot and cold services. Our Flow Range comes in four different colours including white-washed, black lacquered, natural oak or natural walnut.

Flow Oak Trays

A classic material used worldwide, Craster is renowned for providing expertly-crafted, beautiful Flow trays using fine European oak. Designed for quick changeover, each Flow gastronorm tray can be easily transferred from back of house and incorporated into Flow stands and trolleys as part of a display, or used alone for single-serve.

Flow Bento

The core of our Flow food and beverage system, our Flow trays form ideal Bento boxes for sumptuous cuisine carriage and display. Flow trays are crafted around a Gastronorm footprint, ideal for stacking and compartmentalising to create a wonderful single-serve experience.

Flow trays are a sustainable solution, transferring easily from Bento arrangements to full buffet setups with frames, trolleys and stands. Mix with lids and internal dividers to craft your Bento solution.

Flow Hot and Cold Trolleys

The Flow Hot and Cold Trolley delivers dual cooling and heating functionality in one compact, versatile display unit, enabling functional flexibility from chilled breakfast juice stations to heated brunch action stations and frosted grab-and-go cuisine presentation. Specified by the Craster design team to withstand temperature changes, the food-safe, durable top offers a wide temperature range from -5°C (23°F) to 140°C (284°F). The trolley features multiple extending shelves, giving added storage for multi-height display with double-sided service.

Tilt

Tilt is a unique, flexible display system that offers endless possibilities for creative gastronomic expression.

Comprised of multi-height cylindrical metal frames in stainless or black powdercoated steel compatible with serving top solutions in a variety of materials, the Tilt Range enables creative display with elegance and poise.

Tilt's interchangeable serving tops include bowls, extended plinths and juice dispensers, offering an elegant display service ready for quick changes between meals. Each component is also ideal for single-serve, with sleek salad bowls and luxurious marble plinths ideal for desserts.

Tilt Range

Tilt is a flexible system comprised of cylindrical metal frames compatible with serving top solutions for both wet and dry foods as part of a large display or in single-serve.

To build a custom display, select a frame height, then pick from bowls, plinths and juice dispensers made from luxurious marble, black glass, stainless steel or solid wood.

Tilt Bowls

Tilt bowls are intelligently engineered to fit seamlessly within Tilt frames, with an ability to be tilted at various angles to enhance food volume. Ceramic bowls are perfect for cereal and salad presentation and brass is an ideal material for wet food display. Select walnut to match plinth and tray materials.

Tilt Black Glass Plinths

Black glass is our latest addition to the versatile Tilt buffet system. Designed to celebrate sophisticated gastronomy, these sleek, reflective plinths accentuate and reflect the cuisine display.

The lustrous dark surface sharply contrasts food textures, providing a blank canvas for unique cuisine curation. Crafted from bonded Float glass, each plinth invisibly and securely locates onto the Tilt frame to create a minimailist, seamless display surface.

Designed to fit seamlessly with all Tilt frames, plinths can be tiered to create a multi-height display.

Tilt Drinks Service

With its elegant curves and simple, functional features, the ice-free Tilt Juice Dispenser is a perfect addition to any group setting, quenching guests' thirst with a seamless serving experience.

The innovative ice-free cooling system keeps 8 litres of liquid (2.1 Gallons) cool for up to 4 hours, ensuring seamless service across safely-timed guest visits, with an intelligently-designed drip tray locating easily onto the Tilt frame for enhanced stability and reduced spills.

Hand blown from soda lime glass, our carafes feature a tapered neck with angled top for pouring. Ideal for serving water or juices, the carafe can be used alone or combined with Flow Carafe Risers or Flow 2.4 Carafe Plinths to create a unique display for groups or alone for in-room or at-table dining.

Olive Wood Bowls

Our olive wood bowls have a special and vivid grain structure, making each piece unique. Every bowl is shaped from a new piece of wood; despite our meticulous drying process, cracks can occasionally appear in the wood due to the specific nature of these natural products.

Background Marker Touch Up & Mineral Oil

Our pure mineral oil provides protection, retaining the wood's natural colour and character while prolonging the life of your board. The oil is clear, tasteless, odourless and food safe, making it ideal for use on wooden items including bowls, risers and utensils. It can also be used on slate or stone.

Mineral oil can be applied with a folded kitchen paper towel.

Shaker

Made from fine Scandinavian Aeroply in the tradition of the 19th century American Shaker community, this range, finished with miniature copper nails, provides chefs with a wonderfully versatile new material.

Ideal to present all manner of dry foods for single-serve, from chips to grissini sticks and bar snacks, both in gathering spaces and in guest rooms, Shaker's aesthetic is elegant and understated across a property.

Wave Tray

Understated elegance complements the underlying innovation behind the Wave Tray. Designed with a robust non-slip rubber over moulding, the tray surface will never peel, meaning reduced replacements and a dishwasher safe, hard-performing finish.

The tray's miniature locating feet are intelligently engineered to allow for aeration when stacked, with no water build up or residue, enabling reduced maintenance and a consistent, high-quality experience.

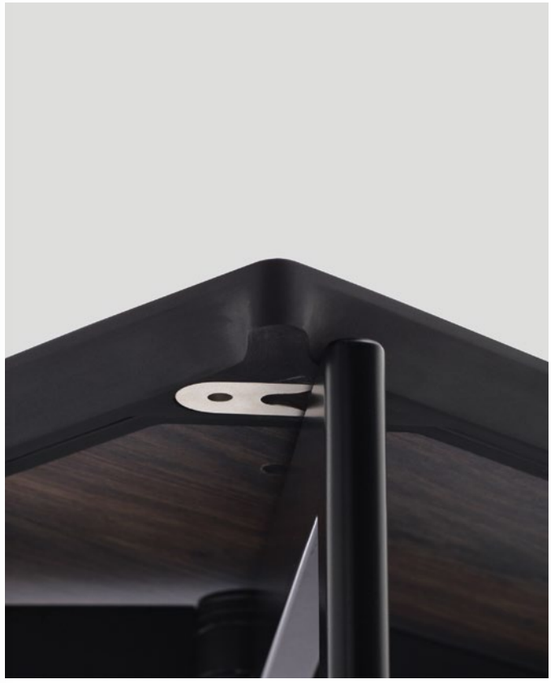
Conference & Events

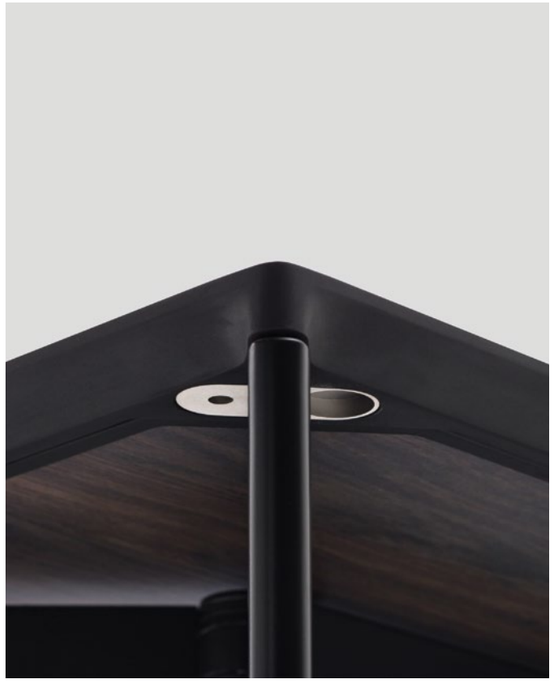
Line Table

Line is a unique folding table solution at the fore of space design. The lightweight, hygienic tops and compact folding leg system combine to offer advances in the evolution of linenless table design.

Line Table pairs operational innovation in intuitive, single-person setup and hygienic surfaces with a residential, discreet aesthetic.

Watch the Video





Intuitive Set-Up

Intuitive locking system and ergonomic grip for seamless set-up, breakdown and changeover.
No tools required.

Wipe-Clean Hygiene

Each table features an intuitive locking system, with ergonomic grip for single-person seamless set-up, breakdown and change over. ISO 22196 compliant laminate tops offer wipe-clean ease.

Compact Storage

Legs collapse to 42mm (1.7 inches), with tops slotting underneath on the trolley for class-leading storage density back-of-house.

Line Table System

The Line Table System is available in two sizes – 1800mm and 1500mm – and in four different shapes – rectangular, classroom, trapezoid and half round – to create various configurations to suit any space requirement.

Line consists of five different elements: table tops, legs, modesty panels (optional), cable management (optional) and trolleys (mandatory).

Also available in dimensions 1800 × 600 mm and 1500 × 600 mm.
Please contact your Craster representative for further information.

Line Cable Management

Line Table power units have been designed to fit discreetly beneath tables, with a subtle cable management sleeve to reduce trip hazards and unsightly wires. Equipped with male and female sockets, each unit can be daisy chained together, with magnetic clips provided to channel cables discreetly along table frames. Intelligently-designed USB A and C outlets for mobile and laptop charging may be toggled in and out and replaced without affecting adjacent sockets.

Available in North American, EU (Schuko), UK/IRL and Japanese sockets as standard.
Other regional sockets available upon request.

Link Table

Introducing the Link Table System, a sleek events and display table for the F&B and C&E space. Intelligently designed for intuitive setup, Link has been engineered for flexible configurations.

Forged to support socially-distant cuisine services or lingering points, the Link range has been designed to complement our Line system for a seamless aesthetic across and between spaces.
With a slender elliptical leg profile and central folding mechanism for easy storage, Link pairs with Line beautifully in front of house presentation and minimises back of house storage.

There are three table heights (1100, 900 and 740 mm) with options of toughened glass or HPL tops.

Link Table System

The innovative Link Table System blends front-of-house poise with back-of-house functionality in a beautiful concept. Available in three shapes - rectangular, round and square - Link tables can be combined with different height legs to create nesting arrangements.

Select a shape and material for the top and finish by choosing a leg height (short, medium, tall).

800 Range

Medium Legs	 800 Medium	 800 Medium
Tall Legs		 800 Tall
Trolleys	 800 Rectangle	 800 Round / Square

Link Reef Edge Table Tops

A highly resistant innovation, the Reef table top edge ensures longevity in the aesthetic and operation of Conference and Events ranges. The protective Reef edge offers the perfect solution for frequent setup, breakdown and back-of-house storage. Combined with laminate tops, Reef edges provide an unparalleled ease of care.

Our other HPL finishes from Line are available for Rise & Link, dependant on order quantity.

Rise Table

The Rise Table System has been intelligently engineered to support a responsive, modular display that is both beautiful and effortlessly assembled.

Rise features a universal locator system allowing folding legs and table tops to be used in any combination. Legs are available in natural, white-washed and stained black oak, and stainless or black steel.

Square, circular and rectangular tops come in wipe-clean glass, antimicrobial HPL with hard-wearing Reef edge or oak veneer.

Rise Table System

Using a universal locating system, the Rise Table System allows you to mix and match any top or legs to create the perfect solution for your buffet.

Select a size series (800 or 700), then select a shape and material for the top and finish by choosing a leg height (short, medium, tall) and a leg finish (stained wenge, natural, white-washed and painted black oak, and stainless or black steel).

Craster Design Studio

Craster design Studio is a team of experienced industrial designers and developers. We focus on product creation and space curation for the hospitality industry.

The studio is borne out of collaborations with key clients with the intent to create innovative and intelligent solutions. We derive our inspiration from the collaboration itself, the quality of materials, best practice design methodologies and achieving functional excellence.

Product Design

COMBINING CLIENT COLLABORATION & BESPOKE MANUFACTURING EXPERTISE

In the fast evolving landscape of premium hospitality, the best brands compete to deliver truly unique guest experiences. We help our clients to navigate a dynamic hospitality market and to differentiate themselves by creating products that deliver experiential moments that stand out.

Space Curation

DUAL SERVICE OFFERING OF MOOD BOARD & PLANOGRAM CREATION

Craster will help you craft the right guest experience for your operation. We have assembled a talented team to help with product suggestions and space curation in the dining and conferencing arena.

Our mood boards will help you to visualise your OS&E and FF&E items in the context of the design aesthetic of your venue. Our planogram offering enables our team to build conference table & buffet set-ups within your given space requirements.
