2025 Price List

Terms & Conditions

Prices quoted are our Suggested Retail Price.

Unless by prior arrangement, orders must be paid in advance of dispatch either via ACH bank transfer or via credit/debit card. Any arrangements for accounts on credit will be subject to confirmation and an agreed credit limit. The minimum opening order value for a new account is \$500 net of discount. The Company reserves the right to discontinue delivery and has the discretion to suspend any contract if the client does not honour payment terms.

Please note that we may use a Credit Insurance Company, and as such reserve the right to seek details of the client's financial history through our credit insurers, and before agreeing to supply goods on credit.

A credit limit will be allocated to each account, which will be reviewed on a regular basis. If a client exceeds their credit limit, the Company reserves the right to suspend deliveries until the balance on the account has been reduced below the credit limit.

Prices, sizes and capacities quoted in our Catalogue and Trade Price List are for guidance only. We reserve the right to vary prices and specifications as circumstances change and without prior notice. Our prices are generally reviewed annually and we hope to maintain these prices for the full year, however, we reserve the right to review and amend them at any time without notice.

To reduce the risk of breakage and ensure as efficient a delivery service as possible, we have included in our Trade Price List the master carton quantity per item. Except in very rare occasions (such as sample requests or breakage replacement) items must be ordered in their master carton quantities.

The Company will usually cancel any balance order with a value of \$75 net of discount or less, unless the customer specifically requests that the balance is retained for future delivery. Balances of export orders are cancelled automatically.

Any goods purchased from Anton Studio Designs LLC may only be sold on sales channels owned by the purchaser. Neither resale or selling through a third party channel is permitted without formal written consent from Anton Studio Designs LLC.

The legal and beneficial ownership of any goods supplied will remain with the Company until full payment has been received for all monies due on these goods or any other goods supplied by the Company and which have not been paid for in full. Under no circumstances will beneficial title pass to the buyer until full payment has been received. Should we need to instigate proceedings to recover unpaid invoices, then we reserve the right to claim all legal fees incurred in the course of this debt recovery.

These Terms & Conditions shall be governed by US law and subject to the jurisdiction of the State of Delaware.

Orders & Delivery

Orders and queries should be emailed to sales@antonstudiodesigns.com. We can be contacted by phone, toll free, on (833) 243-0517 (EST). Should the sales office be closed when you call, please leave a message and we will get back to you as soon as possible.

United States: Minimum opening order value for new accounts is \$500 net of discount. Minimum re-order value is \$250 net of discount. Orders are despatched from our Connecticut warehouse on an FOB basis. Freight and insurance is the responsibility of the purchaser.

Rest of the World: Minimum order value \$1,000 net of discount. Freight and insurance is the responsibility of the purchaser.

Samples: Standard items are available upon request, and will be invoiced at list price and credited on saleable return.

Special Orders: Prices and specifications for goods to be customised or applied with any special decoration will be provided on request.

Returned Goods & Credit Notes

All claims for breakages and discrepancies must be notified in writing within 7 days of receipt of goods.

Generally, returns are only accepted in respect of defective items with evidence of the fault. No returns or credit will be given after three months from the relevant invoice date.

No goods are to be returned without the prior authorisation from our Sales Office.

Goods returned which are not faulty, or found not to be faulty on inspection, will only be credited after 20% has been deducted as a handling charge. Goods ordered in error will be subject to a 20% handling charge on return.

Goods that are non-stock and have been subject to a special factory order, customised or applied with any special decoration are not acceptable for return. If returned no credit will be issued.

We are unable to exchange goods, or issue a Credit Note, unless items are returned in saleable condition in the original packs. It is the responsibility of the customer to ensure that goods being returned are adequately packed. Goods received back broken will not be credited.
