BOLD

DRINKWARE

Our mission has always been to inspire the success of our partners, our clients, and every one of the individuals we touch. We're relentless in exploring new ideas, new designs, and new features to bring innovation and the greatest flexibility to those we serve. And now it's more important than ever that we provide unparalleled quality in both products and service.

To that end, we've taken the dramatic step to introduce a new brand, a new product that we believe will provide exceptional value, and give our clients the flexibility to meet the needs of an industry that has worked so hard to continue to thrive under immense uncertainty.

Hospitality Brands is proud to introduce Bold Drinkware, a new generation of virtually Unbreakable Drinkware.

We hope to breathe new life and to revitalize the unbreakable drinkware segment of our industry with the creation of an entirely new category. Bold Drinkware is the brightest, clearest, and in our opinion, the only alternative to crystal. It features our proprietary Crystal Sapphire formula, an entirely new composition that creates drinkware with an unbelievable shine and brilliant clarity. And as we grow the crystal alternative category, we will continue to innovate and to bring new shapes, and ultimately more value and flexibility to you, our partners.
