We understand how overwhelming it can be selecting the right products based on your style, budget, and delivery requirements. We're here to help!

For over 10 years we have partnered and exclusively represented select American and European manufacturers. We have visited the factories, used the products extensively and pride ourselves on our long-standing relationships with not only our factories but the foodservice and hospitality industry.

Please contact us for catalogs, quotations, samples or schedule a visit to one of our showrooms or let us bring the showroom to you, with a personalized presentation at your location.

From intimate, BYOB Restaurants to 5-Star, Luxury Hotels - Convention Centers to High-Volume Banquets.

We truly appreciate any opportunity to compete for your requirements.
