Numerous design awards

Over the last 20 years, RÖSLE Kitchen Utensils have been showered with many renowned prizes. They're awarded by experts and specialist institutions in the field, and that most critical panel of judges in the world: consumers.

x 9 **Design Plus** The Design Plus Award is given out annually for product design that sets new standards and points the way ahead: nine RÖSLE products have received this prize.

x 16 **reddot** Since 1955, the Nordrhein-Westfalen Design Centre annually awards a prize. It has become famous both nationally and abroad: the reddot award. 16 of RÖSLE's innovative utensils have received this mark for outstanding product design.

x 6 **Design Center Stuttgart** RÖSLE has received the international award of the Design Center Stuttgart on no less than six occasions. Five times in 1989 alone!

x 11 **Sonderschau FORM** Every year the Frankfurt trade fair 'Tendence Lifestyle' awards a prize to exhibitors: New items from RÖSLE swept it away eleven times.

x 6 **Industry Forum Design Hannover** Since 1953 the 'if' Design Award has come to be recognized as one of the most prestigious – RÖSLE has received it six times. The latest one in 2009.

x 4 **Designpreis der Bundesrepublik Deutschland** The prize has been awarded since 1953 and is the highest official German award for product design. It is an honor in itself to appear on the list of nominees. RÖSLE has been nominated three times, and won once.

x 5 **Innovationspreis "Küchen Innovation des Jahres"**, Kategorie "Küchenaccessoires" Every year a panel of experts selects from a range of innovative products and lets customers be the final judges. The results: five awards in the years 2007 - 2009 for RÖSLE!

x 2 **Stahl-Innovationspreis** An award is presented every three years by the German steel industry for innovative implementation of steel. In 1997 RÖSLE won it twice.

1888 Foundation of the company

Karl Theodor Rösle - a master tinsmith from Schwabmünchen - established his company in the town center of Marktoberdorf in the south of Germany in 1888. He strived to enhance traditional methods to meet modern standards of industrial production, while retaining high standards of craftsmanship. Working together with a small team of collaborators, he started out manufacturing roofing components for the building industry.

The Company today

RÖSLE now sells about three million products annually, supplying approximately 3500 clients, retail partners, department stores and gift shops in Germany. Around the globe, RÖSLE supplies nearly 7000 clients in more than 50 countries. Since 1995, RÖSLE has been trading through RÖSLE USA Corp., its own affiliate in North America.

TOP 10

Our own values – your best selling points.

1.

Unrivaled quality

We develop tools that will hold their value instead of products that accommodate short lived trends. To achieve this, our top priority is delivering maximum quality. This process includes everything from the selection of materials to concise manufacturing to the finished product. Stainless steel is always an absolute given.

2.

Compelling functions

We develop our products in close cooperation with professional chefs and consumers. While we do this we like to pay close attention to the way people work with their hands. We listen. Consequently, our ideas evolve into compelling tools in multiple steps.

3.

Award-winning design

A great idea should also come to life in an attractive design. First and foremost, it does of course have to take into account the principles of ergonomics and function. However, it is a given that it has to incorporate a sense of modernity and style. We are absolute masters at achieving all of these goals and this is evident in the numerous awards we have received.

4.

More sustainable products

We are committed to reinforcing the awareness of nature and the respect for good food. Everything we put on our tables to eat should be grown, delivered and processed with an appreciation of our environment. This also applies to our efforts to manufacture products with long useful lives.

5.

New love

Love is a word that describes something deep, very dear to our hearts. But we can also experience it every day in small things. For instance, there's our love for favorite recipes. Yet it does go far beyond that: isn't it magnificent to inspire a love for cooking in others, a love for great ingredients or the beautiful feeling of being able to share something we enjoy?

6.

Great inspiration

Those who do not just focus on the plate before them when cooking will discover a fascinating world that is chock-full of ideas, stories, traditions and emotions. We want to bring this world to life and make it more attainable.

7.

Diversity for every individual

It is our objective to offer a portfolio that gives everyone the perfect personal tools they need to truly enjoy preparing meals and cooking. Regardless of whether the customer is left-handed, a fan of kiwis, a grill master or a potato lover. We offer a range that is truly one-of-a-kind.

8.

Steeped in tradition

RÖSLE has been in business for 125 years. During our anniversary year, we will celebrate the long history of our enterprise with you, our partners, with numerous promotions aiming to ensure our mutual success. We always have our eyes trained on the future – a future that will continue to honor our traditional values and that is driven by our courage to implement new ideas.

9.

Social action

Our name is a synonym for consistency in the eyes of our employees and a guarantor of a sustainable cooperative spirit from the perspective of our partners. Moreover, we are committed to applying this attitude to our products as well. After all, cooking and sharing meals are important cornerstones in our social interactions with others.

10.

Warranty policies that keep our promises

RÖSLE products are made to bring users years of enjoyment. From the very first day. We back this promise with a lifetime warranty. Cooks can count on products that will work perfectly, backed by a guarantee that is in effect as of the purchase date. So remember to keep your purchase receipts!

Insight on insides

Light, humidity and odor affect and degrade the quality of food and ingredients. RÖSLE offers a selection of seamless bowls manufactured all in one piece and tightly closing shakers. Fine mesh strainers, exact measuring utensils and mechanical kitchen utensils round off the collection. In addition to being resistant to temperature extremes, stainless steel has another outstanding property: it retains no odor and is neutral in taste, which is critical for storage of herbs and spices.

Grill Lighter

This stainless steel, 11-inch tool, is sleek, modern and ignites with ease. It features a safety lock so young children won't inadvertently switch it on and the butane won't leak out.

25035 10.8 in. length

Charcoal Starter Stainless Steel

Large capacity charcoal starter. Lights charcoal quickly and evenly. Made of powdered steel and designed to ensure a fast start without using lighter fluid. The Rösle Charcoal Starter prepares the coals for grilling in minutes and saves on the amount of charcoal required. Stay-cool handle. The stainless steel chimney will provide the ultimate in corrosion resistance.

25039 13.3 in. length

Barbecue Turner

For burgers or steaks – with the slanted edge of the blade, meat is effortlessly lifted from the grill.

25050 18.3 in. length

3 Piece BBQ Set

Starter set for any established or aspiring barbecue pros. More economical than buying individually. BBQ Turner 25050, Locking Tongs 25054 and Leather Grilling Gloves 25031.

25051

Barbecue Cleaning Brush

The four spiral-shaped brushes with their short, brass bristles wind into every awkward corner of the grill. The brushes rotate and can simply be replaced when necessary. Suitable for use on every type of grill including cast iron or stainless steel.

25053 18.1 in. length

Locking Tongs

With the patented coupling mechanism, these tongs can be opened and locked using one hand. Ergonomic design ensures safe and comfortable handling. Space-saving storage in locked position.

Marinade Injector

For intense flavor, this marinade injector is made of stainless steel for easy cleanup and years of use. Designed for easy, one hand operation, this 2.1-ounce injector holds the right amount of marinade. Both the cap/plunger assembly and the injector needle unscrew for easy clean-up.

25058 9.1 in. length

Barbecue Poultry Shears

These easy to control shears are curved, making it easier to grip curved pieces. The sturdy, sharp, upper blade and the serrated lower blade act as a hinge, cutting through bones cleanly and easily.

25060 9.8 in. length

Barbecue Thermometer

Features an illuminated digital temperature display, with a range from 104°F to 392°F. Measures Celsius and Fahrenheit.

25066 8.5 in. length

Steak and Meat Thermometer (Set of Four)

Four thermometers in four colors. Each of them has two functions: One for frying steaks and one for roasting specific types of meat such as poultry, beef, lamb or pork. Easy to read display. For use at the grill, in the frying pan and in the oven.

25067 2.6 in. length 1 in. diameter

Digital Roasting Thermometer

Measures from 4°F to 482°F. Pre-sets temperatures for beef, pork, veal, poultry, lamb; or can be set manually. Tip probe reads meat temperature, handle probe reads oven temperature. Oven probe has safety alarm if the oven exceeds 482°F. Timer for up to 10 hours. Magnetic back plate for placement on metal. Includes stand with silicone feet.

25068 7.9 in. length 1.2 in. width

Rib / Roast Rack

What could be a more versatile tool for the grill chef? Use one side of the rack to grill large roasts, whole chickens or even a turkey. Use the reverse side to cook ribs upright on the grill, allowing more grill space for the rest of the meal. Air circulates for more even cooking and food won't stick to the grill. Great for large cuts of meat.

25070 15.7 in. length

Fish Grill Rack

Perfect fish every time! This rack holds multiple fish on the grill, with adjustable brackets to accommodate different sizes. Brackets pointing up: fish is belly downwards. Brackets pointing down: fish is belly upwards. Minimal contact between fish and rack ensure the skin remains intact and undamaged. Dishwasher safe.

25071 12.2 in. length

Grilling Kabob Rack with Skewers

This system is especially useful when grilling delicate ground meat kabobs or fish. The rack raises the skewer and kabob above the grate so the food will not come in contact and stick to the grill grate. The notches in the rack hold the six skewers in place so they will not slip or spin. All the parts are stainless steel and dishwasher safe.

Smoker Box

Gives any barbecued food an aromatic smoky flavor. Can be used with wood chips, pellets and smoking wood dust. Holds approximately 3 cups. Hand wash only, not dishwasher safe.

25076 8.3 in. length

Chicken Roaster

Removable handle allows for more space on grill. Comfortable handle for easy transfer to counter or platter. Size permits placement of several roasters on one grill. For use at barbecue grills and in the oven. Stable handle and safe anchorage between chicken rest and handle.

25078 11.8 in. length 4.9 in. width

Grilling Kabob Skewers (Set of 6)

This set of six stainless steel two prong skewers look great, and work even better. Marinated meats, seafood and vegetables like tomatoes and mushrooms won't slip or spin as they do on conventional skewers.

25079 13.0 in. length

Grill Basket

The stainless frame mesh basket makes it easy to grill foods like shrimp and vegetables. Its square design takes up less space so you can grill other foods at the same time, even with the lid closed. Integrated handles help you easily move the basket.

25080 12.8 in. length 11.7 in. width

Potato Holder

Cook up to 4 potatoes quickly and easily on the barbecue. Cooks evenly from the inside and the outside. Potatoes are held firmly so they do not roll around on the grate. 2 handles for secure grip. Can be used on all barbecues with a lid. Hand washing only, not dishwasher safe.

25081 6.9 in. length

Burger Press

Makes it easy to shape 3.5" diameter hamburgers. Should only be used for shaping hamburgers; do not place on a hot barbecue! Non-stick coating keeps meat from sticking. Hand washing recommended, not dishwasher safe.

25082 3.5 in. length

Pulled Pork Forks, Set of 2

A must have for the all-important "pulled pork" at any barbecue. Can be used to pull apart cooked pork. Effective and simple to use. Can also be used to move large pieces of meat.
